

Babies of Brisbane IX

▣ Facts & Answers Sheet

Q. How soon should I apply

A. ASAP – demand is high and spaces will fill quickly

Q. I have got other children, how do I involve them?

A. You can do two things. 1. Have them photographed with the baby as well during the sitting, however, we cannot guarantee that they will be featured in the book. 2. Talk to us about the “small fry” project that we are running at the moment, it features children 1-15yrs old.

Q. Will I need to pay a participation fee for each child?

A. No. If you have multiple children apply for the same book on the same application then only one single participation fee applies.

Q. When do I pay the participation fee?

A. Once your application is approved we will contact you to arrange payment of the participation fee. 100% of the participation fees will be donated to the Royal Children’s Hospital “Working Wonders” Foundation.

Q. Can I have take advantage of this opportunity and have some family photographs taken at the same time?

A. Yes. You would be mad not to...your children will be photographed by one of Brisbane leading portrait studios “sublime”....and at the same time you could have them create some stunning images of your family. Talk to us about your requirements at the time of the booking. There is no extra charge for photographing your family and you are under no obligation to purchase any of the images taken.

Q. Can I purchase some of the images that will be created for the book?

A. Yes! In fact, we would love for you to have some of the images adorn your walls at home. We have donated our time and effort in aid of raising thousands of dollars for the charity and so you would help us offset some of the costs incurred by purchasing some of the images that we will create as part of this project. Please bring your diary on the day of the portrait sitting so that we can make a time together for you to come and view the images taken.

Q. Will the images be available in black & white or colour?

A. For the “Babies of Brisbane” books the babies are photographed in B&W only!

Q. Is there any chance my babies photograph will be excluded from the book after it has been photographed?

A. No. All babies photographed are guaranteed to go into the book.

Q. How will I be able to get a copy of the book?
